Book hotels, flights, cars, cruises and more. Chase Travel.

The range of travel options available through the Chase Travel portal is truly extensive, covering everything from standard transport to ultra-luxury escapes. When you log into the platform, you are greeted with a one-stop shop where you can book international and domestic flights, hotel stays, car rentals, and even global cruises. The portal also features a robust "Activities" section where you can purchase tickets for guided tours, museum entries, and unique local experiences like cooking classes or hot air balloon rides. For those seeking curated luxury, the "The Edit" collection offers a hand-picked selection of five-star properties that come with exclusive cardmember benefits such as property credits and daily breakfast. Whether you are planning a simple weekend break or a complex multi-city itinerary, the portal provides the tools to manage every component of your journey in one place.

Flight bookings remain the most popular use of the portal, and for good reason, as they offer immense flexibility for point redemptions. You can purchase tickets from hundreds of major global airlines, including both flag carriers and many regional low-cost operators. The system allows you to filter by cabin class, from economy to first class, ensuring you find the right level of comfort for your budget. In , the portal has improved its integration with airline seat maps, making it easier to select your preferred spot at the time of booking. Because these are treated as revenue bookings, you typically still earn frequent flyer miles with the airline while using your Chase points to cover the cost.
